SCHOOL VISIT GUIDELINES

Self-guided visits

All school excursion bookings, including 'The Shadow Initiation' activity, are currently self-guided where classes are welcome to explore the Museum galleries in supervised groups.

A pre-booked gallery for a self-guided visit is booked for one hour, unless otherwise negotiated.

If your class is booked for a general self-guided Museum visit please ensure that groups are small, supervised and move throughout different galleries one at a time to avoid overcrowding.

To support student learning there are [resources](#) available on our website.

Please ensure supervisor/student ratios meet year level requirements for groups up to 10 students. These requirements can be found below or for more information, please visit:

www.education.sa.gov.au/doc/camps-and-excursions-procedure.

Duty of care

All student groups must be appropriately supervised. Supervisor/student ratios are:

Years	Ratio
R - Yr 2	1:6
Yr 3 – 10	1:10
Yr 11 – 12	Up to 10 students/group with minimum of 2 supervisors on site

Volunteer educator sessions

Volunteer educator sessions will be available soon.

Lunch/recess areas

The lawn area in the front of the Museum can be used for an eating area. Covered eating areas are located at the rear of the Museum in the Stables and the Armoury veranda.

On arrival

To avoid congestion, have your students wait outside while you check in your group at the front desk (weather permitting or inside the main foyer if not). Staff will sign in your group and arrange a secured locker for bag storage if required.

All visitors 12 and over are required to wear a mask in the indoor areas of the Museum (unless exempt) and all adults should sign in with the COVID safe app or paper sheet.

Use the hand sanitiser stations provided and ensure students practice good hygiene and social distancing from one another, Museum staff and members of the public.

As clipboards can scratch our glass cases, please use backing boards without clips.

Expectations for students

Please share these guidelines with your students before your visit:

- Practice good hygiene and social distancing from other visitors.
- Stay with your group.
- Walk around the galleries, speak quietly.
- Use the stairs unless you need the elevator.
- Preserve the objects by not eating and drinking in the galleries.
- Photography **with no flash** is welcome.

Bags

School bags are discouraged and cannot be carried by students in the galleries. Some limited self-managed locker storage is available. Collect a key from the Information Desk upon arrival. Bag storage is only available while students are onsite.

Discovery Centre

The Discovery Centre is currently closed to all school groups.
