

South Australian Museum Visitor Amenities Upgrade

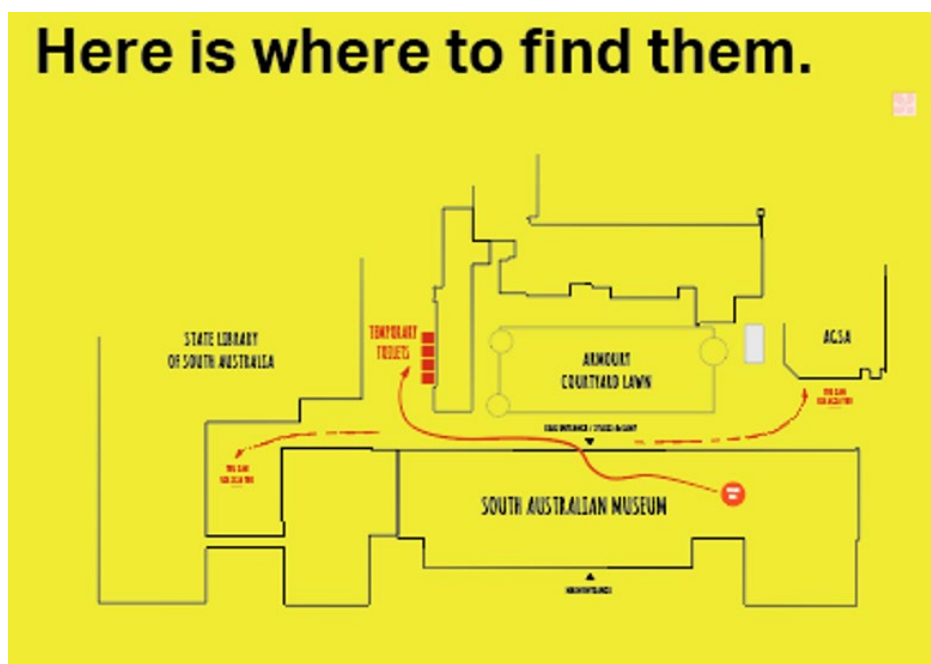

The South Australian Museum visitor amenities are currently under refurbishment. Please read the following information about alternative arrangements when visiting the Museum with your school group.

While the Museum’s visitor amenities are under renovation, the toilets in the Museum will be out of order. During this time, a temporary block of female, male and accessible toilets will be established at the rear of the Museum. There are also adjacent facilities in the Art Gallery and State Library of SA.

- The renovations will begin on Monday 6 September 2021 and will be in place until December.
- Our Parenting Room is open and fully functional.
- The temporary female, male and accessible toilets are located at the rear of the Museum alongside the Stables Building which is adjacent to the State Library of South Australia.

SAFETY CAUTION – This is a shared use area with cars and delivery vehicles and caution should be exercised when moving from the back door to the toilets.

- The facilities in the Art Gallery and State Library are also available for visitors to use. Please see map below for the locations of all available facilities.

We apologise for any inconvenience and we look forward to providing our visitors with new and transformed facilities.
